### *Conclave 2020*

Dear chapter members,

I am writing to you regarding Idaho DeMolay's 2020 conclave, March 26-28, 2020 in Moscow ID. At this conclave we hope to see and have more fun than ever. But we need your help to make this happen. At Conclave this year we are asking that each chapter is given an opportunity to participate in one of the many fun events planned.

This is a special request from your state officers. We are asking that your chapter come up with a special product that can be anything, (but would like to see DeMolay related items) that could be presented to the "judges", in a "DeMolay shark tank"

Rules:

- One idea per chapter, with a short presentation
- At least 4 members must participate. (Chapters can have more teams if needed)
- A visual representation (picture, physical item etc.)
- Need a price, and what it does
- Need to be prepared for miscellaneous questions by judges
- And lastly need to have fun with it, and use your imaginations

The winning chapter will receive a prize for best product/presentation This conclave will be full of fun and many activities that will keep us entertained and will bring home many memories. If you have any questions feel free to contact me, @ william.tolman55@gmail.com, or by phone at 541-216-8413. Thank you, and we can't wait to see your products, and remember, have fun with it.

Sincerely and fraternally,

William Tolman, State Junior Counselor

*Are you a Mason? Did you wish you could have been a DeMolay in your Youth? Now you can Become an Honorary DeMolay !*

Dear Idaho Masons,

Idaho DeMolay turns 100 years old in January of 2021. To celebrate this occasion, Idaho DeMolay is opening a new Honorary Centennial Chapter by offering our invitation to all Masons in Idaho to become honorary DeMolays and receive the degrees of a DeMolay performed by the young men of Idaho DeMolay.

Between our Conclave 2020 and Conclave 2021, we will offer several initiations in all regions of the state for any Mason who is interested in receiving the two degrees of DeMolay.

To receive the degrees, there is a lifetime petition fee of \$50.00. Included in this fee is a patent for membership and an Honorary Idaho DeMolay lapel pin. In addition, you will receive the same Idaho DeMolay Centennial lapel pin that the young men will receive.

Tentative dates and locations for the Ceremonies are below. Additional dates and locations could be added or requested based on need.

March 27th, 2020 – Moscow, ID  
Fall 2020 – Boise, ID  
Winter 2021 – Jerome, ID (Centennial Initiation)  
Spring 2021 – Pocatello, ID
